

COURSE PASSAGES FOR STUDENTS ALREADY ENROLLED AT THE MILAN POLYTECHNIC a.y. 2023-24

School of Architecture Urban Planning Construction Engineering

POLITECNICO
MILANO 1863

Evaluation of previous career for applications for admission a.y. 2023/24

1. All documents required for the purposes of the past career evaluation must be uploaded at the time of the evaluation request. Additional documents uploaded after the deadline will not be accepted.
2. The lists of courses self-certified when completing the online application must correspond to those in the certificate of examinations taken.
3. Students with foreign qualifications: guide on how to apply at the following link:
www.poliorientami.polimi.it/come-si-accede/studenti-con-titolo-estero/studenti-con-precedente-carriera-universitaria
4. Lists that present discrepancies between the translation and what the student submitted will not be taken into consideration
5. Exams already taken and declared and exams that the student will report in his career within **July 20, 2023 not more than** will be taken into account provided that they have been indicated as optional validation at the time of the application for evaluation
6. If you have any doubt that the CFUs required for transfer without an admission test/test will not be validated, we advise you to take the relevant test for the academic year 2023/24

ATTENTION: only for the transfer to the Architectural Design course delivered in English is mandatory to present the appropriate English language certificate.
